

Husky Guide for Academic Success

SYNERGY:

- Check StudentVUE regularly to keep updated on grades. www.sheldonhuskies.com
- There should be no surprises regarding your grade. Students should know exactly what you are earning in each class and if you have any missing assignments.
- If you do not have internet access at home, please contact your counselor about school computer availability.
- E-mail your teacher through Synergy Mail if you have a question about your grades.

ATTENDANCE:

- Come to school EVERYDAY!
- Attend TEAM Husky meetings.
- If you are absent, email your teachers to request missed assignments.
- Turn in homework and make-up tests or quizzes immediately upon return to school.

TUTORING:

- Attend tutoring and speak with your teacher right away if you do not understand the material.
- Please see the tutoring schedule posted on www.sheldonhuskies.com ~ Counseling page.
- Tutoring is interactive – when attending, ask specific questions for specific assignments. The more you put into improving your skills, the greater the benefit!!

STUDY EVERY NIGHT:

- Create a protected space and time to do your homework every night.
- Most successful students spend about 2 hours a night on homework.
- If you do not have an assignment due, review your notes or previous assignments.

TAKE CHARGE:

- Ask your teachers questions when you don't understand.
- Find a Study Buddy in class that you can contact in the evening if you get stuck while doing your homework.
- Turn in ALL class work and homework assignments DAILY.

Passing classes is imperative for earning a Sheldon High School diploma. If you fail a course, the only opportunities to make up the credits are during summer school, after school APEX, or during your senior year.
